Savior Pastoral Center provides a full range of dining services prepared and served on site by our in-house caterer. The spacious Dining Room comfortably seats 20-350 guests for buffet meals and up to 400 for formal, plated dinners. Guest groups are welcome to pre-arrange meals to be served in the Conference Center or other meeting areas upon request.

Our catering service offers a wide variety of entries for breakfast, lunch and dinner as well as a break menu. Delicious, nutritious food and beverages are prepared on site at a reasonable cost. The caterer graciously accommodates guests who pre-arrange any special dietary requests. [Click Here for the CATERING GUIDE](#)
