Savior Pastoral Center is conveniently located only two miles from the bustling Legends complex on the western edge of Kansas City, Kansas. The Center welcomes community and religious organizations, schools, local government and other not-for-profit organizations, both large (350) and small (25) for a variety of events including workshops, meetings, conferences, strategic planning and training sessions, conferences and conventions. We invite community leaders and event planners to the Center, an ideal venue that offers everything needed, at reasonable cost, for successful events.
